The Grumpy Bee

Once a mother bee was very much worried about her child.

As the child was very grumpy and angry all the time, the child bee would always be sad. So all the friends named her Grumpy Bee.

All the bee friends would avoid the Grumpy Bee and not play with her.

The worried mother Bee kept on Convincing the child Grumpy Bee to go out and play with her friends.

Out! went the Grumpy Bee in anger! He told the other Bees “I have come to Play with you all,” Come on Play with me. But the two Bees flew away and refused to play with Grumpy Bee. They said...

We don't want to play with a friend who is rude, and has a angry Grumpy face.

After some time Grumpy Bee met a big Sleepy Snail. The snail looked at him and Smiled. But Grumpy Bee, being Grumpy had a very angry look on his face and No Smile. He asked the Sleepy Snail, “Will you play with me.” Sleepy Snail did not reply and just started moving ahead, as he did not like a Sad & Grumpy faced friend.

Dear Friends, Have you ever observed Parmatma’s and Pujya Gurudev’s face? Is it Sad? Are they ever unhappy? Is their face Grumpy? No! never! Our Parmatma and Pujya Gurudev always have a smile on their face.

Grumpy Bee turned furious because the Snail did not answer. He started throwing tantrums, he cried, he Yelled, he Jumped, he grumped and stamped his feet hard on the ground. He was now all alone and left without friends.

Dear friends, Just think how would you feel if you had no friends! if no one would play with you? wouldn't you be sad too?

The Grumpy Bee then met a smiling flower. He said to the Grumpy Bee... You must always smile and feel happy. You must always speak softly and politely with everyone. If we have a smiling face then all shall be our friends and all will also play with us.

After the Smiling flower's true advice. Grumpy Bee thought and said "Surely dear friend, I will try." So Slowly Grumpy Bee changed his behavior and his attitude.

He started singing, dancing with joy and had a smile on his face. He felt everything nice and beautiful around him.

Everyone around him started playing and dancing with him and Grumpy Bee was very happy. They all had fun together.

So kids always remember Spread Love and gift a Smile.
